Professional Experience

Fincell | Auto ancillary Sector Head

Present

- Started as Equity Research Analyst and contributed to almost all reports of the Fincell which was published in the First 20 days of 2024.
- Fast forward to July 24, promoted to sector head position to lead a group of 4 analysts and extensively cover the auto ancillary sector

Protege | Equity Research Intern

Jan 2024 – March 2024

- During the internship, I drafted some reports covering three industries: the luggage , cosmetics, and chemical industries.
- In my report, I covered all about the company, investment thesis, industry analysis, financial statement analysis, ratio analysis, Dupont analysis, peer comparison, etc

Institutor | Business Development & Sales Intern

April 2024 – May 2024

- This internship was completely experimental work for me since I was new in the field with no prior experience
- I conducted an outreach of the service provided by messaging potential students to introduce and promote the platform's products and services.
- Communicated with students to understand their needs and provide relevant information to the founder.

Skills

Analytical Proficiency: Ability to identify investment opportunities, Knowledge of industry developments

Financial & Market Analysis: Peer comparison, Ratio analysis, Dupont analysis

Presentation & Communication: Report writing and presentation, Proficiency in Excel, PowerPoint, and Word

Languages: English | Tamil | Hindi | Marathi
